- If a student does not return or call from the student's leave of absence within 72 hours of the student's expected return, the student shall be considered terminated. The date of withdrawal shall be earlier of the date of expiration of the leave of absence or the date the student notifies the school that the student will not be returning.
- Unofficial withdrawal is determined if there is no notification made after two consecutive weeks of absence. The date of student's withdrawal shall be deemed the last date of recorded attendance. Unofficial withdrawals for clock hours students are determined by the school through monitoring clock hours attendance at least every thirty (30) days.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

A registration fee of \$100.00 is a non-refundable item. Equipment, books, supplies, uniforms, and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student. If you cancel the agreement beyond the fifth class day or seventh day after enrollment as cancellation period allowed, the school will refund any money that you paid, less any deduction for registration fee and equipment. After of more than seven days after the class start may be entitled to a partial refund and received provided the student has not completed 60% or more of instruction in the pay period or period of enrollment. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

If a course is cancelled subsequent to a student's enrollment, and before instruction in the course or program has begun, the school provides a full refund of all monies paid. If a school cancels a course or program and ceases to offer instruction after students have enrolled and instruction has begun, the school shall provide a pro-rata refund for all students transferring to another school based on the hours accepted by the receiving school. If the school closes permanently and ceases to offer instruction after students have enrolled, and instructions, has begun, the school must

make arrangements for students, the school has to provide a pro-rata refund.

REFUND CALCULATION (Based on scheduled hours)

Example 1: The Cosmetology program at Redondo Beach Beauty College has 1000 hours of instructional time and tuition costs \$9,000. The student withdraws from the program after attending 300 hours of instruction of the 450 hours (66%) in 1st period. The school received \$2,822.50 of the Pell grant and \$500 cash payment for a total amount of \$3,322.50.

What would be his refund, if any?

First, the cost per hour of instruction is established by dividing the total hours of the program (1000) into the total cost of the program (\$9,000.00): $\$9,000.00 / 1000 = \$9.00/\text{hour}$. Since the student has completed/attempted 300 hours of the 450 hours of instruction in the 1st period, 66% of the 1st period, at the time of withdrawal he will be charged for the full 450 hours, he's obligated to pay $\$9.00 \times 450 = \$4,050.00$. His refund is calculated in the table below in example 1:

Example 2: The Cosmetology program at RBBC has 1000 hours of instructional time and tuition costs \$9,000. The student withdraws from the program after attending 265 hours of instruction of the 450 hours (59%) in 1st period. The school received \$2,822.50 of the Pell grant and \$700 cash payment for a total amount of \$3,522.50 less Pell grant to be returned since student's hours fell below 60%.

What would be his refund, if any?

First, the cost per hour of instruction is established by dividing the total hours of the program (1000) into the total cost of the program (\$9,000.00): $\$9,000.00 / 1000 = \$9.00/\text{hour}$. Since the student has completed/attempted 265 hours of the 450 hours of instruction in the 1st period, 59% of the 1st period, at the time of withdrawal, **a return to Title IV will be calculated**, and he's obligated to pay $\$9.00 \times 265 = \$2,385.00$. His refund is calculated as below in example 2:

Example 1		Example 2	
Amount paid including Pell	\$500.00	Amount student paid in cash	\$700.00
Pell after return to Title IV calculation	\$2,822.50	Pell after return to Title IV calculation	\$1,662.00
Tuition cost incurred (450 x 9.00) = (4,050.00)	(4,050.00)	Tuition cost incurred (265 x 9.00 = (2,385.00)	(2,385.00)
Less: \$100 non refundable fee	(100.00)	Less: \$100 non refundable fee	(100.00)
Less: Equipment received as of withdrawal date (Kits and Books)	(1,650.00)	Less: Equipment received as of withdrawal date (Kits and Books)	(1,650.00)
Less: STRF	(27.50)	Less: STRF Fee	(27.50)
Student responsible to pay:	\$ 2,405.50	Student responsible to pay:	\$1,800.50
Refund Due to Student:	\$ 0.00	Refund Due to Student:	\$ 0.00

The refunds are received by the recipient in a timely manner by a cancelled check.

FINANCIAL AID

FINANCIAL AID CONSUMER INFORMATION

Based on a combination of approvals, authorization, and accreditation, our students are eligible to apply for and receive tuition aid and financial assistance while attending the college. This includes Federal PELL Grant [Does not require repayment (FPELL)]

GENERAL FINANCIAL AID INFORMATION

If you wish to apply for financial aid or you have questions, or you need sections of the handbook clarified, contact the financial aid office at the school. Additional information regarding the student aid programs may be found on the "Free Application for Federal Student Aid" published by the U.S. Department of Education. Additional information may be obtained by calling the Federal Student Aid Information Center between 9:00 a.m. and 5:00 p.m. (EST) Monday through Friday at 1 (800) 433-3243. Internet access is also available at <http://www.fafsa.ed.gov>.

NSLDS DISCLOSURE

Please note that any loan borrowed by the student or parent will be submitted to the National Student Loan Database System (NSLDS) and will be accessible by guaranty agencies, lenders, and schools determined to be authorized users of the data system.

COMPLIANCE STATEMENT

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school. If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the money not paid from federal student financial aid program funds.

STUDENT FINANCIAL AID ELIGIBILITY REQUIREMENTS

To be eligible to receive federal student aid, you must:

- be a U.S. citizen or eligible non-citizen.
- have a valid Social Security number (with the exception of students from the Republic of the Marshall Islands, Federated States of Micronesia, and the Republic of Palau);
- be enrolled or accepted for enrollment as a regular student in an eligible degree or certificate program;
- maintain satisfactory academic progress (as defined by the school's policy);
- sign the certification statement on the Free Application for Federal Student Aid (FAFSA ®) form stating that:
 - you are not in default on a federal student loan,
 - you do not owe money on a federal student grant, and
 - you will use federal student aid only for educational purposes; and
- show you're qualified to obtain a college or career school education by:
 - having a high school diploma or a General Education Development (GED) certificate.
 - completing a high school education in a home school setting approved under state law; or
 - enrolling in an eligible career pathway program and meeting one of the "ability-to-benefit" alternatives

RETURN OF TITLE IV POLICY

Redondo Beach Beauty College Refund Policy complies with the amended version of 34 CFR Section 668.22 of the Higher Education Amendment of 1998. Title IV funds are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded.

When a student withdraws, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive. If a recipient of Title IV grant or loan funds withdraws from a school after beginning attendance, the amount of Title IV grant or loan assistance earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, unearned funds must be returned. If the amount disbursed to the student is less than the amount the student earned, and for which the student is otherwise eligible, he /she is eligible to receive a post-withdrawal disbursement of the earned aid that was not received.

The school's Financial Aid Office is required by federal statute to recalculate federal financial aid eligibility for students who withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60% of a payment period or term. The federal Title IV financial aid programs must be recalculated in these situations. Students who withdraw from all classes prior to completing more than 60% of a payment period or term will have their eligibility for aid recalculated based on the percent of the payment period completed.

For example, a student who withdraws completing only 30% of the payment period will have "earned" only 30% of any Title IV aid received. The school and/or the student must return the remaining 70%. Recalculation is based on the percentage of earned aid using the following Federal Return of Title IV funds formula: Percentage of payment period completed = The number of clock hours the student was scheduled to complete in the period divided by the total number of clock hours in the period. Up through the 60% point in each payment period a prorated schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. If a student withdraws after 60% (or more) of the period, he/she is considered to have "earned" all of the federal aid for the period. No repayment is necessary. If a student after enrollment never attended any classes, he/she did not establish eligibility for any funds. All Title IV disbursed must be returned.

Refunds are allocated in the following order:

- 1. Unsubsidized Direct Stafford Loans (other than PLUS loans)**
- 2. Subsidized Direct Stafford Loans**
- 3. Federal Parent (PLUS) Loans**
- 4. Direct PLUS Loans**
- 5. Federal Pell Grants**
- 6. Federal Supplemental Educational Opportunity Grants**
- 7. Other Title IV Assistance**
- 8. Other Federal Sources of Aid**
- 9. Other State, Private, and Institutional Aid**

When a student withdraws from Redondo Beach Beauty College, the withdrawal date used to determine the refund is the date the student began the school's withdrawal process, although the school reserves the right to use the last date of attendance at an academically related activity. The withdrawal date is:

Official Withdrawal:

- First, the date the student began the institution's withdrawal process or officially notifies the school of their intent to withdraw
- The school will return any unearned Title IV funds within 45 days of the date the school determined the student withdrew

Unofficial Withdrawal:

- Second, the last known attendance at a documented academically-related activity (i.e. exam, a tutorial, computer-assisted instruction, academic counseling, academic advisement, turning in a class assignment, or attending a study group that is assigned by the institution) for students with two weeks consecutive absences.

If a student earned less aid than was disbursed, the school would be required to return a portion of the funds and the student would be required to return a portion of the funds when applicable.

If a student earned more aid than was disbursed to him/her, the school would owe the student a post-withdrawal disbursement. A post-withdrawal disbursement will be made as shown below:

- Pell Grants must be disbursed within 45 days to the student
- Direct Loans must be offered to the student within 30 days and student must respond to the offer within 14 days upon receipt of the Direct Loans being offered

All post-withdrawal disbursements are applied to student account first before a credit balance is determined. A credit balance result will be disbursed to the student no later than 14 days after the Return to Title IV calculation.

The student is obligated to return any Title IV overpayment in the same order mentioned above. Students who owe overpayments as a result of withdrawals initially will retain their eligibility for Title IV funds for a maximum of 45 days from the earlier of the date of the school sends the student notice of the overpayment or the date the school was required to notify the student of the overpayment. Failure to return Title IV funds will result in the loss of eligibility for financial aid.

Refunds: If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. This order would apply in accordance to the aid programs available at the institution.

→ APPLICATION PROCEDURES AND FORMS

Financial aid applications for this institution consist of the Free Application for Federal Student Aid (FAFSA). This form needs to be completed as instructed on the form. This form can also be accessed and filled out online at www.fafsa.ed.gov. Alternatively, "my student aid" mobile app can be downloaded and completed on your mobile device. Documentation to substantiate the data entered on the form may be required by the financial aid office. Assistance in completing the forms online is available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances.

TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM THE PROGRAM OF STUDY

As of 10/07/00, Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent of the payment period in the course, the student would have earned only 50% of the aid received or eligible to have received. To determine the percentage complete, the scheduled hours of class or the actual hours attended (if less than seventy percent of scheduled hours) will be divided by the total hours in the payment period. Unearned aid will be returned to the program(s) in accordance with the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

EARLY COMPLETIONS

Should the student complete the program earlier than the estimated time frame stated in the contract, the student's financial aid may be recalculated and may result in liabilities owed by the student and/or the institution.

FINANCIAL AID DEFINITIONS

(The following definitions correspond to some common terms used within the financial aid terminology):

- **ACADEMIC YEAR:** A period of not less than 26 weeks of instructional time with a minimum of 900 clock hours of instruction for a full-time student. The midpoint of the academic year shall be a minimum of 13 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 26 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation.

- **CLOCK HOUR:** 50 to 60 minutes of supervised instruction during a 60-minute period.

- **CREDIT BALANCE:** A credit balance occurs when tuition payments have been received by the institution in excess of the amount of charges assessed to the student. Credit balances are paid

within 14 business days from the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education related expenses.

- **DEPENDENT STUDENT:** An individual that does not meet the independent student criteria. This student is required to submit an application that includes the student's and parents' income and assets data.

- **DEPENDENT:** An individual other than the spouse that has been supported and will continue to be supported (50% or more of that individual personal expenses) by the student and/or spouse. If that individual is and will continue to be supported by the student parent(s), that individual would be a dependent of the parent(s) NOT a dependent of the student.

- **FAMILY CONTRIBUTION (EFC):** The calculated amount that a family contributes to offset the student cost of attendance.

- **FINANCIAL AID ELIGIBILITY CITIZEN/ELIGIBLE NON-CITIZEN:** You must be one of the following to receive federal student aid: U.S. Citizen U.S. National, U.S. permanent resident who has an I-151 or I-551 (Work Authorization or Alien Registration Card).

- Departure Record (I-94) from the U.S. Immigration and Naturalization Service (INS) showing one of the following designations: Refugee, Asylum Granted. Indefinite Parole and/or Humanitarian Parole Cuban-Haitian entrant.

- **IF YOU ARE IN THE U.S. UNDER ONE OF THE FOLLOWING CONDITIONS, YOU ARE NOT ELIGIBLE FOR FEDERAL AID:**

- F1 or F2 student visa
- J1 or J2 exchange visitor visa only

- **INDEPENDENT STUDENT:** An individual who meets one of the following criteria:

- Minimum age of 24.
- A graduate or professional student
- Is Married (Separated but not divorced)
- An individual with legal dependents other than a spouse. (As defined above)
- An orphan or ward of the court up to the age of 18.
- Is a veteran of the armed forces of the United States.

- **NEED:** Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

- **PARENT(S):** For the purposes of the financial aid programs, "a parent" is the mother and/or father or adoptive parents, stepparent or legal guardian – not foster parents.

- **PAYMENT PERIOD:** 450 hours and 15 weeks for courses of 900 hours or more. It is the midpoint of the program for courses of less than 900 hours and 30 weeks.

- **PROFESSIONAL JUDGMENT:** Title IV Professional Judgment: Section 47A of the Higher Education Amendments of 1992 authorized the financial aid administrator to exercise Professional Judgment (PJ) on a case-by-case basis. Professional judgment is a discretionary action on the part of the financial aid office to address unusual circumstances that affect a student's/parent's ability to pay for educational expenses. Using professional judgment, the aid administrator may adjust the expected family contribution (EFC) and thereby make education more affordable. The following are examples of conditions/reasons for which a student may request an adjustment to their EFC.

- Death of a parent or the independent student's spouse.
- Loss of employment by student/spouse/parent (for at least 3 months).
- Loss of earnings due to disability.
- Loss of untaxed income and benefits.
- One time income (ex. back year social security payments).

Other extenuating circumstances will be considered on a case-by-case basis. If a student/parent would like to apply for professional judgment consideration, it is necessary to write a letter requesting a review of the current financial situation. This letter should explain in detail the current financial situation and why an adjustment to the EFC is warranted. The financial aid administrator will review all letters of request on a case by-case basis. If the financial aid administrator decides that changes to any data elements on the FAFSA are warranted, the financial aid administrator will make changes to the FAFSA electronically and send it to the Federal Processor. Once the correction is made by the U. S. Department of Education, the Division of Student Financial Assistance will notify you by mail of the change in your expected family contribution and new award amount(s). You will also be notified if there is no change to your EFC or financial aid awards.

- **RECOVERIES:** Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grant program are still due from the student, those funds are payable at the rate of 50%. Grant funds due from the student must be repaid within 45 days from the student's withdrawal date. Students may make repayment arrangements with the U.S Department of Education within 45 days from the student's withdrawal and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by the U.S. Department of Education.

- **VERIFICATION PROCESS:** Federal regulations 34 C.F.R. Part 668, Subpart E, dated March 14, 1986, April 29, 1994, November 29, 1994 – executing legislation 20 U.S.C. 1094 governing the Title IV programs requiring schools to be sure of certain applicant-reported data. These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process. To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the regulations, the school will not disburse PELL or Campus-Based aid, nor certify Stafford/PLUS loan applications, until completion of the verification process.

- **WHO MUST BE VERIFIED:** The policy of this school shall be to verify those students selected by the need analysis (ISIR) system for verification.

- **VERIFICATION EXCLUSIONS:** Applicants excluded from verification include:

- **Certain spouse/parent status:** Spouse or parent information is not required to be verified if the spouse or the parent is deceased, or physically incapacitated, or residing in a country other than the United States and cannot be contacted by normal means, or cannot be located because the address is unknown and cannot be obtained by the applicant.

- **Complete verifications -** If the student completed the verification at another institution prior to transferring to this school if all the following documents are provided from that school:

- Letter stating that the verification process was completed.

To document the basis for this exclusion, the applicable permanent mailing address No funds disbursed- The

applicant will not receive federal aid funds.

REQUIRED VERIFICATION ITEMS: Examine the data items listed in 34 C.F.R. 668.56. Different data items apply to different applicants depending upon student dependency status and the Title IV programs used. Data items include:

- Total number of persons in the household.
- The number of members of a household enrolled at least half-time students in postsecondary educational institutions.

Use the worksheets to update and for verification of data. Applicants shall follow the instructions in the Verification Worksheet. The school's financial aid officer may require or provide other appropriate forms.

■ **TIME PERIOD FOR PROVIDING DOCUMENTATION:** Applicants must provide the required documentation within 60 days from the last day of attendance or August 31st of that year, whichever is earlier.

APPLICANT RESPONSIBILITIES: To be eligible to receive Title IV funds, we require applicants to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following data items are correct as listed on the original application; or, if not correct, must update the data items, as of the date of verification:

- Number of family members in the household
- Number of family members in the household now enrolled as at least half-time students in postsecondary institutions.
- Change in dependency status.
- Federal PELL Grant applicants whose dependency status changes during the Award Year must file a corrected application. This process does not apply if the change occurs due to marriage.
 - Campus-based applicants whose dependency status changes during the Award Year must have their EFC re-calculated. This process does not apply if the change occurs due to marriage.
 - The applicant must repay any over award, or any award, discovered during verification, for which he/she was not eligible.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTING WITHIN THE SPECIFIED TIME , PERIOD(S): If the student cannot provide all required documentation, the school cannot complete the verification process within 60 days from the date of the request. The school must then advise applicants that they are not eligible for financial aid funds. The school then gives the applicants the following options:

- The student may continue training on a cash payment basis.
- The student may withdraw and re-enroll at no additional charge. There will be no loss of credit earned, when the student provides all proof, and verification is complete. The applicant must repay any over award or any award for which he/she was not eligible, discovered during verification.

- **INTERIM DISBURSEMENTS:** The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.
- **TOLERANCES:** If there are non-dollar errors and if the errors in dollar items total less than \$400 there is no requirement to recalculate the student's EFC.
- **NOTIFICATION OF RESULTS OF VERIFICATION:** The school shall notify the applicant of the results of the verification process within 30 days of the student's submission.
- **REFERRAL PROCEDURE:** The school shall forward to the Secretary of Education, referral of fraud cases.

GRADING SYSTEM:

Each program consists of both a theoretical and hands on component that covers the applicable skills and competencies in the course. Academic performance is measured by written examinations administered periodically by the instructor. Grading for exams is based on the scale listed below. Practical operations completed by the student are recorded on the back of the student's time card. Practical operations are evaluated periodically for mastery using the practical grading criteria to determine whether the skill is performed with the required degree and accuracy assigning them an absolute grade of "yes" or "no". The total number of "yes" answers is divided by the number of questions on the grading criteria which gives the final grade for the operation evaluated. The cumulative score of both academic exams and practical evaluations make up a student's overall GPA. Students must maintain a "C" (70%) average to maintain satisfactory academic status.

ACADEMIC GRADING

- 100%-90% A....Excellent
- 89%-80% B..... Very Good
- 79%-70% C..... Satisfactory.
- 69%-below.....Failing and Unsatisfactory

GRADUATION REQUIREMENTS

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by the midpoint in the course. The academic year of all programs is 900 hours.

ATTENDANCE PROGRESS EVALUATIONS (QUANTITATIVE)

Students must attend a minimum of 67% of the hours possible based on the applicable attendance schedule to be considered to maintain satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course, which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course with satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
Cosmetology (Full time, 32 hrs/wk) - 1000 Hours	32 Weeks	1500
Cosmetology (Part time, 20 hrs/wk) - 1000 Hours	50 Weeks	1500
Barbering (Full time, 32 hrs/wk) - 1000 Hours	32 Weeks	1500
Barbering (Part time, 20 hrs/wk) - 1500 Hours	50 Weeks	1500
Esthetician (Full time, 25 hrs/wk) - 600 Hours	36 Weeks	900
Esthetician (Part time, 20 hrs/wk) - 600 Hours	45 Weeks	900
Advanced Manicuring (Full time, 25 hrs/wk) - 600 Hours	36 Weeks	900
Advanced Manicuring (Part time, 20 hrs/wk) - 600 Hours	45 Weeks	900
Manicuring (Full time, 40 hrs/wk) - 400 Hours	15 Weeks	600
Manicuring (Part time, 20 hrs/wk) - 400 Hours	30 Weeks	600
Teacher Training (Full time, 25hrs/wk) - 600 Hours	36 Weeks	900

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours.

Students who have not completed the course within the maximum timeframe shall be terminated from the program and may continue as a student at the institution on a cash pay basis.

ACADEMIC PROGRESS EVALUATIONS (QUALITATIVE)

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of the study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written and practical grade average of 70%. Students must make up for failed or missed tests and incomplete assignments.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV HEA program Funding interrupted, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in a status of probation. The institution will notify the student in writing of the evaluation, if the evaluation impacts the student's eligibility for financial aid.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period is placed on probation and considered to be making satisfactory academic progress, while during the probationary period, if the student appeals the decision and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet the requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered to be making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan; he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS OR LEAVE OF ABSENCE.

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return with the same satisfactory academic progress status as at the time of withdrawal.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. In the case transfer hours are accepted, SAP evaluation periods are based on actual hours at the school.

Results of the Satisfactory Academic Progress evaluation are provided to students and require a signature of receipt. The results are posted in the student's file and may be accessed upon request. *All evaluations will be completed within seven (7) school business days following each established evaluation period.*

Objectives that have been missed because of absences will have to be met before the student progresses to the next term. Arrangements have to be made with the instructor and approved by the Program Director.

4. If a student commits a serious infraction during practical training, the instructor will remove a client from the training area. Any student action that places a client in danger is grounds for immediate dismissal.
5. When an infraction occurs on campus the student will be sent to the Program Director's office for evaluation and advisement.

LEAVE OF ABSENCE POLICY

1. All requests for leaves of absence must be submitted in advance in writing, include the reason for the student's request, and include the student's signature.
 - a. A student must follow the institution's policy in requesting an LOA.
 - b. A student must apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to the institute, the student would not have been able to request the LOA in advance.
 - c. The LOA may be granted for the following reasons:
 - Health concerns
 - Family emergency
 - Pregnancy
 - Financial struggle
 - d. The institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the school documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the school to be the first date the student was unable to attend school because of the accident.
2. Leave of Absence Request Process:
 - a. If a student encounters circumstances that warrant a Leave of Absence, he/she must complete a Request for Leave of Absence form from the School Director.
 - b. The Request for Leave of Absence form must be submitted to the School Director prior to the Leave of Absence start date.
 - i. All Leave requests should be accompanied by documentation supporting the

necessity for the LOA. Documentation must be provided within 14 days following the request.

- ii. Due to varying types of LOAs covered under this policy, verification of need for an LOA may be provided through a multitude of sources.

Examples: court documentation for criminal proceeding in which the student is court ordered to attend; military orders for induction or long-term deployment; insurance documentation of major sustained loss or damage to a residence or other property; physician documentation for medical care or disability; local social welfare, victims assistance group, or church certification of supportive services provided. Students who do not follow procedure will not be granted an LOA and are expected to attend school as scheduled.

1. Unforeseen and/or extenuating circumstances may provide the student an opportunity to submit an LOA request after the leave start date.
2. Exceptions will only be made when the student has communicated the hindering circumstances within seven days of the request start date.
3. The school reserves the right to require additional documentation from outside sources in order to substantiate an LOA request.
4. As a condition for approving a student's LOA request, there must be a reasonable expectation that the student will return from the LOA.
5. All LOA requests are subject to approval by the Program Director. If a student's LOA is not approved, the student is considered to have withdrawn and the refund requirements are applied.
6. The school shall not assess the student any additional institutional charges as a result of a requested LOA.
7. The school shall grant only one leave of absence within an enrollment period, unless extenuating circumstances can be proved and documented. The LOA must be a minimum of 10 calendar days and not to exceed 90 calendar days. The LOA together with any additional leaves of absence must not exceed a total of 180 days in any 12-month period.
8. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.
9. The school shall extend the student's maximum time frame and the contract enrollment period by the same number of calendar days taken in the LOA. Changes to the enrollment agreement will be initialed by all parties and shall be documented in an enrollment agreement addendum that must be signed and dated by the student and an authorized representative of the school.
10. In the event that the student does not return or call from his/her leave of absence within three days of his/her expected return, that student shall be considered terminated. The withdrawal date for the purpose of calculating a refund is the student's last day of attendance, as evidenced by attendance records.

GRIEVANCE PROCEDURE

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide

for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.

4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution's internal complaint process before submitting the Complaint to the school's accrediting agency, if applicable.

The student's participation in complaints procedure and the disposition of a student's complaint shall not limit or waive any of the student's rights or remedies. Any document signed by the student that purports to limit or waive the student's rights and remedies is void.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll free or by completing a complaint form, which can be obtained on the Bureau's Internet website www.bppe.ca.gov. STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a post-secondary institution.)

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally

identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

1. Review their education records,
2. Seek to amend inaccurate information in their records, and
3. Provide consent for the disclosure of their records.

JOB OUTLOOK

Overall employment of barbers, cosmetologists, and other personal appearance workers is projected to grow much faster than the average for all occupations. Opportunities for entry-level workers should be favorable, while job candidates at high-end establishments will face keen competition.

Personal appearance workers will grow by 20 percent from 2008 to 2018, which is much faster than the average for all occupations.

Employment trends are expected to vary among the different occupational specialties. The employment of hairdressers, hairstylists, and cosmetologists will increase by about 20 percent, while the number of barbers will increase by 12 percent. This growth will primarily come from an increasing population, which will lead to greater demand for basic hair services. Additionally, the demand for hair coloring and other advanced hair treatments has increased in recent years, particularly among baby boomers and young people. This trend is expected to continue, leading to a favorable outlook for hairdressers, hairstylists, and cosmetologists. Employment of shampooers will grow by 15 percent, as many cosmetologists and barbers are able to perform shampooing services, as well.

Continued growth in the number of full-service spas and nail salons will also generate numerous job openings for manicurists, pedicurists, and skin-care specialists. Estheticians and other skin-care specialties will see large gains in employment and are expected to grow almost 38 percent, primarily due to the popularity of skin treatments for relaxation and medical well-being.

Manicurists and pedicurists, meanwhile will grow by 19 percent.

COSMETOLOGY PROFESSION

Hairdressers, hairstylists, and cosmetologists offer a wide range of beauty services, such as shampooing, cutting, coloring, and styling of hair. They may advise clients on how to care for their hair at home. In addition, cosmetologists may be trained to give manicures, pedicures, and scalp and facial treatments; provide makeup analysis; and clean and style wigs and hairpieces.

A number of workers offer specialized services. Manicurists and pedicurists, called nail technicians in some States, work exclusively on nails and provide manicures, pedicures, polishing, and nail extensions to clients. Another group of specialists is skin care specialists, or estheticians, who cleanse and beautify the skin by giving facials, full-body treatments, and head and neck massages, as well as apply makeup. They also may remove hair through waxing or, if properly trained, with laser treatments. Finally, in larger salons, shampooers specialize in shampooing and conditioning hair.

In addition to working with clients, personal appearance workers may keep records of hair color or skin care regimens used by their regular clients. A growing number actively sell, hair, skin, and nail care products. Barbers, cosmetologists, and other personal appearance workers who operate their own salons have managerial duties that may include hiring, supervising, and firing workers,

as well as keeping business and inventory records, ordering supplies, and arranging for advertising.

WORK ENVIRONMENT

Many full-time barbers, cosmetologists, and other personal appearance workers put in a 40-hour week, but longer hours are common, especially among self-employed workers. Work schedules may include evenings and weekends, the times when beauty salons and barbershops are busiest. Many workers, especially those who are self-employed, determine their own schedules. In 2008, about 29 percent of barbers, hairstylists and cosmetologists worked part time, and 14 percent had variable schedules.

Barbers, cosmetologists, and other personal appearance workers usually work in clean, pleasant surroundings with good lighting and ventilation. Most work in a salon or barbershop, although some may work in a spa, hotel, or resort. Good health and stamina are important, because these workers are on their feet for most of their shift. Prolonged exposure to some hair and nail chemicals may cause irritation, so protective clothing, such as plastic gloves, or aprons, may be worn.

QUALIFICATIONS

Successful personal appearance workers should have an understanding of fashion, art, and technical design. They also must keep a neat personal appearance and a clean work area. Interpersonal skills, image, and attitude play an important role in career success. As client retention and retail sales become an increasingly important part of salons' revenue, the ability to be an effective salesperson becomes ever more vital for salon workers. Some cosmetology schools consider "people skills" to be such an integral part of the job that they require coursework in that area. Business skills are important for those who plan to operate their own salons.

ADVANCEMENT

Advancement usually takes the form of higher earnings, as barbers and cosmetologists gain experience and builds a steady clientele. Some barbers and cosmetologists manage salons, lease booth space in salons, or open their own salons after several years of experience. Others teach in barber or cosmetology schools or provide training through vocational schools. Still others advance to other related occupations, such as sales representatives for companies that sell salon-related products, image or fashion consultants, or examiners for State licensing boards.

EMPLOYMENT

Barbers, cosmetologists, and other personal appearance workers held about 821,900 jobs in 2008. Of these, barbers and cosmetologists held 684,200 jobs, manicurists and pedicurists 76,000, skin care specialists 38,800, and shampooers 22,900.

Most of these workers are employed in personal care services establishments, such as beauty salons, barber shops, nail salons, day and resort spas. Others were employed in nursing and other residential care homes. Nearly every town has a barbershop or beauty salon, but employment in this occupation is concentrated in the most populous cities and States.

About 44 percent of all barbers, cosmetologists, and other personal appearance workers are self-employed. Many of these workers own their own salon, but a growing number of the self-employed lease booth space or a chair from the salon's owner.

In this case, workers provide their own supplies, and are responsible for paying their own taxes and benefits. They may pay a monthly or weekly fee to the salon owner, who is responsible for utilities and maintenance of the building.

FERPA Disclosures to Parents

The school requires student to sign authorization form in order to release students' academic, attendance, enrollment status, financial aid and/or any other information to parents. While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules. Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

All other persons needing access to these records and files must have a written release on a previously signed waiver from the student.

. Students shall have access to his/her files at all times upon written request and under the direct supervision of a school official.

Release of Information to Regulatory Agencies or another third-party request

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies. NACCAS reserves the right to inspect student records for any accreditation purposes. The institute requires written consent from the student for the release of records in response to each third-party request unless otherwise required by the law.

EXTRA – INSTRUCTIONAL CHARGES

Each course/program has been scheduled for completion within an allotted time frame. A grace period of approximately ten percent has been added to the calculated completion date for each program. It is not realistic to expect to receive an education for free. The school has reserved space, equipment, and licensed instructors for each student and course/program. If a student does not graduate within the contract period and grace period allotted, additional training will be billed at the rate of \$15 per hour, payable in advance, until graduation. Students will not be allowed to clock in until applicable daily payments are made.

MAKE-UP WORK

Students requiring to make-up projects, quotes or tests must do before the end of their unit. Failure to comply will result in receiving an unsatisfactory grade (69%) for that assignment. All absences for theory and/or practical training must be made-up.

FAMILY EDUCATION RIGHTS AND PRIVACY (FERPA)

Redondo Beach Beauty College is in compliance with provisions granted under the Family Educational Rights and Privacy Act of 1974. Under this law, students enrolled in any educational institution receiving federal funds are given certain rights concerning school records.

The Family Education and Privacy Act was enacted by Congress to protect the privacy of student educational records. This privacy right is a right vested in the student. Generally:

1. Institutions must have written permission from the student in order to release any information from a student's educational record.
2. Institutions may disclose directory information in the student's educational record without the student's consent.
3. It is good policy for the institution to notify the student about such disclosure and to seek the written permission of the student to allow disclosure of any educational records including directory information.
4. Institutions should give the student ample opportunity to submit a written request that the school refrain from disclosing directory information about them.

5. Institutions must not disclose non-directory information about students without their written consent except in very limited circumstances.
6. Institutions should notify students about their rights under FERPA through annual publications.
7. When in doubt, it is always advisable to err on the side of caution and to not release student educational records without first fully notifying the student about the disclosure.
8. The school should always seek a written consent from the student before disseminating educational records to third parties.

FERPA gives parents or guardians of dependent minors certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

School officials with legitimate educational interest;
 Other schools to which a student is transferring;
 Specified officials for audit or evaluation purposes;
 Appropriate parties in connection with financial aid to a student;
 Organizations conducting certain studies for or on behalf of the school;
 Accrediting organizations;
 To comply with a judicial order or lawfully issued subpoena;
 Appropriate officials in cases of health and safety emergencies; and
 State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, student handbook, or newspaper article) is left to the discretion of each school.

Students have a right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

**Family Policy Compliance Office
 U.S. Department Compliance Office
 600 Independence Avenue, SW

DRUG-FREE SCHOOLS AND CAMPUSES REGULATIONS (DFSCR)

The Drug and Alcohol Abuse Prevention Regulations (Education Department General Administrative Regulations [EDGAR]), requires that, as a condition of receiving funds or any other form of financial assistance under any federal program, an institution of higher education (IHE) must certify that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees.

RBBC is in compliance with these regulations. The school adopts and implements a drug prevention program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by all students and employees both on school premises and as part of any of its activities. The school has program that complies with the regulations such as:

- A. Annually notifying each employee and student, in writing, of standards of conduct; a description of appropriate sanctions for violation of federal, state, and local law and campus policy; a description of health risks associated with AOD use; and a description of available treatment programs.
- B. Developing a sound method for distributing annual notification information to every student and staff member each year.
- C. Conducting a biennial review on the effectiveness of its AOD programs and the consistency of sanction enforcement.
- D. Maintaining its biennial review material on file.

RBBS's DFSCR policy addresses the legal and responsible use of alcohol. It addresses the academic, health, personal and safety risks associated with alcohol and other drug use through education, services and resources that focus on prevention of alcohol and other drug abuse. Through wide dissemination of this policy, the school community will be informed of its contents, as required by the Drug-Free Workplace and Drug-Free Schools and Campuses Act.

It is a goal of the school to provide a safe, productive, and healthy environment in which all members of the school community can learn, work, and grow from a wealth of different school experiences. The school is determined to establish and maintain working, living, and learning conditions that are free from the negative effects of alcohol and other drug abuse. The school recognizes that the misuse or abuse of any drug can be detrimental to the health, safety, learning, and well-being of individuals as well as the school community. Therefore, in compliance with the U.S. Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989, the school offers substance abuse prevention programs for its students and employees and will identify resources and provide assistance and support for those who have, developed or are in recovery from problems with AODs

The illegal or abusive use of alcohol and/or other drugs by students, faculty or staff adversely affects school's commitment to provide an environment of excellence in teaching, research and learning. As members of the school community, we all share in the responsibility for creating and maintaining a healthy and productive environment for work and study alike. With this responsibility comes the obligation to be involved in preventing problems caused by the abuse of alcohol, tobacco and other drugs.

The school's comprehensive approach to addressing substance abuse emphasizes:

- A. Taking effective steps to create and maintain a drug-free workplace and educational environment for students, faculty, and staff.
- B. Providing continual prevention, education, and counseling services along with referrals to off-campus treatment facilities as appropriate.
- C. Encouraging individuals who are experiencing problems associated with alcohol and/or other drugs or chemical dependency to seek assessment, counseling, and/or treatment voluntarily with the understanding that this assistance is confidential and will not be used against them.

School's policy on alcohol and other drug use respects all legal requirements including, but not limited to:

A. Federal and California controlled substance laws, as well as other administrative regulations concerning alcohol and other drugs.

B. The Drug-Free Workplace Act of 1988 sets forth special requirements for employees on federal contracts and grants. It requires the school to provide notice of a conviction for a violation of any criminal drug statute occurring in the workplace by an employee engaged in the performance of work under federal contract or grant; and to report to the funding agency within ten calendar days after notice from an employee of a conviction for a violation of any drug statute occurring in the workplace.

C. California Drug Free Workplace Law. Employees or contractors of any state agency are prohibited from the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance as defined in the Controlled Substances Act. The employer or contractor must publish a statement regarding the prohibition and any sanctions that will be imposed and establish a drug-free awareness program.

D. Federal and California controlled substance laws, as well as other administrative regulations concerning alcohol and other drugs.
